PROCESS OF INPUTTING PAYMENT REQUEST & BUDGET REQUEST USING FUND APPLICATION FORM AT PT DINASTI WAHAB NUSANTARA

Professional Internship is an activity that demands specialized knowledge, professional ethics, and specific expertise in its field. Professional Internship provides opportunities for the intern to reach their maximum potential and serves as a means of self-development. Pembangunan Jaya University presents a Professional Internship program to provide an understanding of the professional world. The intern carry out Professional Internship at PT Dinasti Wahab Nusantara the holding company in Ciater Raya, South Tangerang. The intern are placed in the Finance division. During their Professional Internship, the intern are assigned tasks related to fund requests using the fund application form system. Through this task, the intern can understand how financial operations are conducted in a company. In addition, this task can hone the intern technical skills required in the workplace and provide a comprehensive understanding of the importance of accuracy and precision in corporate financial management.
