THE PROCESS OF INPUTTING ENVIRONMENTAL MANAGEMENT FEES (IPL) THROUGH AN ACCURATE SYSTEM AND DOCUMENT FILLING MECHANISM AT PERSERODA PITS

This report aims to fulfill the requirements of the Professional Work Course in the Accounting Study Program, Faculty of Humanities and Business, Universitas Pembangunan Jaya. This activity provides students with a comprehensive insight into the world of work, as well as providing opportunities to get to know, understand, and practice analyzing situations in the scope of the world of work. While carrying out Professional Work at Perseroda Pembangunan Investasi Tangerang Selatan (PITS), practitioners work under the supervision and guidance of the Accounting Division of Various Businesses. The work performed by the practitioners was checking and inputting related to Environmental Management Fees billed by Perseroda to market players. This input process uses a technology-based Accounting Information System, namely the Accurate 5 application. In addition, practitioners also carry out filing activities for company documents.

Keywords: *Accounting Information System, Environmental Management Fee, Filing*
