INTERNSHIP OF SPECIAL EDUCATION TEACHER ASSISTANT JUNIOR HIGH LEVEL AT MUTIARA HARAPAN ISLAMIC SCHOOL

Internship is an activity in college that supports students in learning how to engage in the real-world job environment. By participating in this internship, students gain insights and knowledge about various aspects of the working world. During the internship experience, the intern is placed at Mutiara Harapan Islamic School, specifically in the Junior High Development Class division as a Special Education Teacher Assistant. The main duties of the intern include helping design Individualized Education Plans, participating in assessments, assisting in the development of students' social skills, collaborating with the lead teacher to develop and implement lessons that cater to various learning styles, adhering to school policies and regulations to ensure a respectful and inclusive learning environment, communicating with parents, and attending staff meetings to enhance skills in contributing to educational practices.
