

## **ABSTRACT**

**Yoga Haikal Rivaldi (2018081137)**

### **PROJECT MANAGEMENT OFFICE (PMO) APPLICATION ANALYSIS IN DATA MANAGEMENT AND ANALYTIC (DMA) DIVISION**

*This professional work is carried out at PT Bank Negara Indonesia (Persero) Tbk, having its address at Menara BNI Jl. Pejompongan Raya No.07, RT.1/RW.5, Bend. Downstream, Tanah Abang District, Central Jakarta City, Special Capital Region of Jakarta 10210, Indonesia. The practitioner is placed in the Project Management Office (PMO) unit which manages and oversees projects in the Data Management and Analytics (DMA) Division. PMO plays a role in project input, project mapping, monitoring project status and project data reporting on DMA internal applications. In this professional work, the practitioner works under the guidance and supervision of the PMO Manager. Practitioners get the opportunity to learn how to manage, process and analyze data available at BNI.*
