Currently, Paskibraka is no longer under the auspices of the Ministry of Youth and Sports (Kemenpora), but is under the guidance of the Pancasila Ideology Development Agency (BPIP). A number of parties also suspect that there is a ban from BPIP for Paskibraka members to remove their headscarves while on duty. BPIP also spoke out and denied forcing female Paskibraka members to remove their headscarves. Head of BPIP Yudian Wahyudi claimed that Paskibraka members voluntarily removed their headscarves during the inauguration ceremony following existing regulations (Sahal, 2024). Researchers used Cnnindonesia and Kompas media to find out how the framing carried out by the two media used Zongdang pan framing. Researchers use the Zongdang Pan Gerald M Kosicki framing method because this framing theory has 4 scripts, namely syntax, script, thematic and rhetorical. Researchers want to know how a media frames news, starting from the title to the way the news is written. Kompas tries to provide information and headlines that are different from the main framing of Indonesia. What Kompas provides is detailed information, the same sources as CNN but there are more quotes provided by Kompas. Cnnindonesia has a prominent news framing in terms of information obtained from various sources, this can be proven from several sources ranging from the government, ministers, president, parents and victims. Meanwhile, Kompas has framing
