

ABSTRACT

The Motive for Modifying the Awal Bros Batam Hospital Logo

Awal Bros Hospital is one of Indonesia's leading hospital chains, renowned for its high-quality healthcare services and modern medical facilities. Awal Bros Hospital was founded by the late H. Awaloeddin. Thanks to his vision and dedication, Awal Bros Hospital has grown into a widely recognized hospital network in Indonesia.

Awal Bros Hospital was first established on August 29, 1998, in Pekanbaru. Since its inception, the hospital has been committed to providing professional and high-quality healthcare services, and has served thousands of patients with a variety of medical needs.
