BAB I PENDAHULUAN 1.1 Latar Belakang Masalah Pada tahun 2025, Palestina dan Israel mencapai kesepakatan mengenai gencatan senjata yang resmi diberlakukan mulai tanggal 19 Januari. Kesepakatan ini dimediasi oleh Amerika Serikat, Mesir, dan Qatar, dan dibagi ke dalam tiga fase utama. Pada fase pertama Hamas membebaskan 33 warga Israel yang disandera, sedangkan Israel membalasnya dengan membebaskan sekitar 1.904 tahanan Palestina, termasuk individu yang tengah menjalani hukuman penjara seumur hidup. Selain itu, Israel membuka akses bantuan kemanusiaan hingga 600 truk per hari dan mulai menarik pasukannya dari beberapa wilayah di Gaza (Al Jazeera, 2025). Fase kedua mencakup pembebasan sisa sandera militer Israel oleh Hamas dan penarikan penuh pasukan Israel dari Gaza, disertai pembebasan tambahan tahanan Palestina. Sementara itu, fase ketiga meliputi penyerahan jenazah sandera yang telah meninggal oleh Hamas dan dimulainya program rekonstruksi Gaza selama 3 hingga 5 tahun dengan pengawasan internasional (Al Jazeera, 2025). Pemberitaan mengenai gencatan senjata dalam konflik Israel Palestina menjadi fokus utama media nasional dan internasional, dengan penyampaian yang mencerminkan kepentingan dan perspektif beragam (Sari & Putra, 2022). Media tidak semata-mata berfungsi sebagai saluran penyampai informasi, melainkan juga memainkan peran strategis dalam membentuk konstruksi makna dan persepsi masyarakat terhadap suatu konflik. Melalui pemilihan sudut pandang, narasi, serta
