WORKING DESCRIPTION WOMEN IN POWER 2020 SOCIAL MEDIA CAMPAIGN ACTIVITIES IN THE FACULTY OF HUMANIORA AND BUSINESS

While carrying out professional work activities in the Social Media Campaign division, Intern has the opportunity to be on the team of creators who carry out all Social Media Campaign activities carried out in the Social Media Campaign team in each team which is run in each campaign run on social media that has been implemented and Selected In this Social Media Campaign the Team has different tasks starting from the website, TikTok social media, Instagram, creating events and Content Planning. In this case, there are several stages that Intern did in a Social Media Campaign, which wrote an article, made content planning for websites and Instagram, uploaded articles, uploaded content, conducted campaign research, determined rubrics for content planning and helped another team task too. Intern have a work focus on the website section, articles, content planning and content rubrics. The practitioner will also have the opportunity to go directly in the field to learn more about the social media campaigns that are being undertaken and learn about strategies and tactics in using social media. During three months of doing Internship, Intern gained new knowledge about the Social Media Campaign activities that were carried out by the practitioner. Starting from making research for the campaign to be created, creating a campaign theme to be raised, making content planning and content rubrics, creating visuals - visual content, making articles that attract audiences and also how to make social media used by practitioners and also campaign websites practicing can grab the attention of the target audience.
