### **OVERVIEW OF INTERNSHIP AS AN ASSISTANT COUNSELOR IN THE REHABILITATION AND EXTENSION SECTION IN BNN GARUT REGENCY**

*Internship activities carried out by Praktikan at the National Narcotics Agency of Garut Regency as assistant counselors in the rehabilitation section and extension section. The reason for the practice of choosing the National Narcotics Agency of Garut Regency as a place to conduct professional work activities is as an effort to achieve the profile of graduates from the Psychology Study Program of Universitas Pembangunan Jaya and add experience in the field of Psychology work. In the rehabilitation section, Praktikan gets the task to take care of Drug-Free Certificate (SKBN) and also becomes an Assistant Counselor who is in charge of assisting counselors in the counseling process either in BNN or in BNN partners such as Lapas Class IIB Garut. The final task given by BNN to the practice is to reduce students to the dangers of drugs and how to avoid them. In this final task, the target of practice is elementary school students and the community around where the practice is lived.*
