### **JOURNALIST WORK ACTIVITIES AT PT. MERAH PUTIH MEDIA DIVISION KAMIBIJAK.COM**

*While doing the professional working of the journalist work process in KamiBijak.com, the practitioner had a chance to be a journalist. In working as a journalist, the practitioner had a main job to write an article and had extra job such as translating the articles, doing voice-over, recording, and interviewing. In working on the tasks the practitioner had to do several stages which will be developed into articles, it is also applied to the process of interviewing and recording. Later on, the result will be given to creative content editor and practitioner work advisor to be reviewed and revised if there are any mistakes or errors before publishing into KamiBijak.com website. KamiBijak itself is part of Merah Putih Media that contains deaf journalists. Therefore, during this professional working the practitioner could experience directly the real working world that gave the practitioner knowledge about article writing in an online media company. The practitioner also got a new chance and new experiences by working with deaf people and seeing their work process.*
