STRATEGI PENGEMBANGAN MANAJEMEN SUMBER DAYAMANUSIA PERUSAHAAN PADA ERA NEW NORMAL

Professional work is one of the requirements that must be met to complete the final project of Pembangunan Jaya students. Professional work is not only working in companies but also alternative professions. Alternative professional work is in the form of scientific articles. The scientific article itself contains students' subjective opinions about a phenomenon or issue, from a scientific point of view. This scientific article will be published in a journal or a collection of articles made by observing the rules of scientific articles. Scientific articles aim to open students' perspectives on events or issues around them and encourage students to participate in research.
