BUDGET MANAGEMENT ACTIVITIES AND BUDGET VERIFICATION ACTIVITIES OF THE NATIONAL STANDARDIZATION AGENCY (BSN)

Professional work activities are one of the challenges for every student who runs it, because of the Covid-19 that is still hitting and causes every activity to be run online, as well as professional work activities that require students to run it in a Work From Home. The practice of professional work activities is carried out at the National Standardization Agency (BSN) which is a Non-Ministerial Government Institution (LPNK) whose task is to coordinate all standardization and conformity assessment activities in Indonesia. Internship has the opportunity to work in the Planning, Finance, General and Procurement Bureau (PKUP) which is in charge of coordination and preparing plans, programs, budgets, providing administrative, financial, household support, archives and organizing the management of state property or state assets as well as procurement service. Goods/services. Meanwhile, internship has the duties and responsibilities in terms of budget management, data input, and budget verification for the activities of the National Standardization Agency (BSN).
