AHMAD EXPRESS EXPEDITION BANDAR LAMPUNG-JABODETABEK

Delivery services are services that accommodate human needs for effective and efficient in the delivery of goods, in the area of Bandar Lampung Still there is no shipping service that can send goods quickly and cheaply to Jabodetabek area. Taking into account all business risks, planning that is arranged as well as possible and experience in the field of transportation, then an Ahmad Express delivery service is made that sends goods from the city of Bandar Lampung to Jabodetabek. Delivery service This is very much needed, especially UMKM Business Actors, who are very need delivery at a low price and fast to arrive.

Keywords: Delivery, Service, UMKM
