RECORDING PROCESS FOR OPERATIONAL COST TRANSACTIONS AT PT TRIWIJAYA SARI

Throughout the internship period carried out in PT Triwijaya Sari, the intern worked under the supervision and guidance of finance and accounting department. During the implementation of this internship, interns have the opportunity to take part and be directly involved in the process of making financial reports by entering data into general journals, making balance sheets, and making profit and loss statements. During the internship period at PT Triwijaya Sari, a practitioner under the guidance of the finance and accounting department, focuses on the operational cost transactions of PT Triwijaya Sari.

Keywords: *finance and accounting department, operational cost, annual report*
