DESCRIPTION OF PSYCHOLOGICAL ASSISTANT WORK ACTIVITIES IN PREVENTION AND REFERRAL DIVISION IN PUSPAGA CERIA CITY OF TANGERANG SELATAN

Professional work activities carried out by practitioners are in accordance with one of the profiles of graduates of the Psychology Study Program at the Bachelor level (S1) at the Pembangunan Jaya University, namely as a Counselor. On the basis of the need for the role of psychology to be able to help provide counseling for women, children, and families, practitioners choose to practice Professional Work at PUSPAGA CERIA. PUSPAGA CERIA is a family learning center which is a place for learning to find out how to improve the quality of family life. The practitioner serves as a psychologist assistant in charge of helping psychologists work. In carrying out professional work at PUSPAGA CERIA, the practitioner has a job description, which is to help carry out initial administration and counseling, outreach to clients' homes, conduct observations and interviews on capaska training, and perform additional tasks. In professional work activities there are several relevant courses according to those who have been practicing during college, namely the Code of Ethics, Counseling, Observation and Interview Methods, Gender, Work and Workplace.

Keywords: Professional Work, psychologist assistant, PUSPAGA CERIA.
