### **DEVELOPMENT OF ACCOUNTING BUSINESS PROCESS FLOW AT PT PLN (PERSERO) KANTOR PUSAT**

*Practitioners have the opportunity to carry out professional work at PT PLN (Persero) Kantor Pusat. During the three months of professional work, there are many jobs given to the practitioner, namely making digital archives of the Business Process Flow in the Accounting Division, making accounting studies of new business processes, compiling presentation materials for the socialization of technical guidelines and analyzing financial reports. Of all these jobs, the job that has the longest time in the process is making digital archives of the Field Business Process Flow in the Accounting Division. The company's business processes are not good enough.*

**Keywords:** *Business Process, Accounting Information System, PT PLN (Persero)*
