ANALYSIS OF THE APPLICATION OF THE INVENTORY ACCOUNTING INFORMATION SYSTEM IN THE REGIONAL OFFICE OF THE MINISTRY OF RELIGION OF WEST SUMATRA

While carrying out professional work activities in the Regional Office of the Ministry of Religion of West Sumatra Province, Praktikan worked under the supervision and guidance of the Finance & State Property section. In this Professional Work activity, Praktikan has the opportunity to participate in conducting financial affairs, making minutes, making stock-taking, registering daily transactions. The activities and responsibilities of the Finance & State Property section are focused on conducting financial and treasury affairs, accounting verification of agencies, and information systems of management and accounting of state-owned goods, as well as reporting of state-owned finances and goods. During the implementation of Professional Work activities, Practicants get learning in theory and practice.

Keywords: Finance, Inventory
