### **ANALYSIS OF THE USE OF BUDGET EXPENDITURE AT THE STATE PROSECUTORS OF JAKARTA SELATAN**

*The practitioner carries out professional work at the South Jakarta District Attorney and is placed in the Expenditure Treasurer section. Practitioners have the opportunity to learn and add insight into agency finances, even though they are not always directly involved in daily activities. Practitioners are still given opportunities and jobs that are able to be done by the practitioner, including Making Revisions of Monthly Budget Realizations, Recapitulation of Local Transport and Filling Out Official Travel Orders ( SPPD), Create a Billing Code, and Input Tax Deposit Evidence into SAKTI. In daily activities, the South Jakarta District Attorney's Expenditure Treasurer uses an online-based application system, namely the Institutional Level Financial Application System or SAKTI.*

**Keywords:** SAKTI, Budget Realization, Recapitulation of Local Transport, Filling of Official Travel Orders (SPPD), Billing Codes, Tax Deposits.
