### **THE PROCESS OF APPLICATION OF THE WEB-BASED ACCURATE SYSTEM FOR SALES, PURCHASES, AND INVENTORIES PT LIMA SEKAWAN INDONESIA (HIVE FIVE CONSULTANT)**

*While carrying out professional work at PT Lima Sekawan Indonesia, the practitioner is given the opportunity to be guided in the Accounting division. In the implementation of professional work, the practitioner is given the opportunity to help the staff of the accounting division do their work. Practitioners are given the trust to be given access rights to the accurate online system by their superiors who are used to work on sales, purchase, and inventory management data provided directly by the Company's clients. Not only that, Practitioners are also given the opportunity for superiors to communicate directly with clients properly. Responding to problems that occur at work, as well as understanding the accounting knowledge used in the Company, especially in Accounting for Trading Companies.*

**Keywords:** Sales, Purchases, Inventory
