ISSUANCE AND RECORDING OF INVOICE FOR ACCOUNT RECIVABLE TRANSACTIONS PT OTODA SUKSES MANDIRI KARGO

PT Otda Sukses Mandiri Kargo is a logistics service company. During this professional work activity (KP), the practitioner works in the Finance and Accounting division. Practitioners are also given the opportunity to be directly involved in the process of issuing invoices for payments for domestic, import and export goods delivery services that have been carried out by the company. Practitioners are also sometimes given the opportunity in the process of making tax invoices against invoices that have been made by the company, scanning documents and archiving documents. Practitioners are lucky to be able to learn new things that are not possible in lectures.
