### **WORK ACTIVITIES IN THE INVESTMENT SECTION OF FINANCIAL INSTITUTION PENSION FUNDS AT PT PERTA LIFE INSURANCE JAKARTA PUSAT**

*Professional work carried out by Pembangunan Jaya University is to be able to provide a comprehensive picture of the world of work and be able to analyze the scope of the world of work and become more aware of how the real world of work is to students. Practitioners carry out professional work at PT Perta Life Insurance. PT Perta Life Insurance is an Indonesian national Life Insurance Company, previously known as PT Asuransi Jiwa Tugu Mandiri, established on June 28, 1985. During professional work at PT Perta Life Insurance, the practitioner is in the Investment Division of the Financial Institution Pension Fund, where the practitioner is given the opportunity to updating data to third parties, data recapitulation of Cooperation Agreements, document filing, presentation of Law no. 11 of 1992, and scanned documents. With this professional work, it can help practitioners to feel firsthand what the real world of work is like. And can help practitioners apply directly to the theories given during lectures and can add knowledge and experience to practitioners.*

**Keywords:** *Internship Program, PT Perta Life Insurance, Investment Dana Pensiun Lembaga Keuangan.*
