PROCESS OF APPLICATION FOR GRIYA HASANAH FINANCING AT PT BANK SYARIAH INDONESIA, TBK JAKARTA AREA OFFICE PONDOK INDAH

Professional Work activities provide benefits for students as a means so that students can have experience in the world of work in an agency/company so that when students are already in a real work situation, students can more easily adapt. Professional work is one of the programs organized by Pembangunan Jaya University as an academic obligation in preparing the best graduates before ending their education period. With the implementation of current professional work activities, practitioners have the opportunity and opportunity to do professional work directly or work from the office at PT Bank Syariah Indonesia, Tbk Jakarta Pondok Indah Area Office in the Consumer Financing Area (ACF) with the main task of doing a checklist document financing requirements for the customer's Griya Hasanah product and inputting financing data through the WISE system of Bank Syariah Indonesia (BSI).

Keywords: *Professional Work, Consumer Financing Area, Financing.*
