PROSEDUR PENCATATAN JUAL BELI DI APLIKASI METATRADER 4 PADA PT MIDTOU ARYACOM FUTURES

Practitioners carry out Professional Work (KP) at PT. Midtou Aryacom Futures as Administrative Financial Consultant for 3 months. The practitioner works under the supervision and guidance of the Human Resources Development (HRD) Manager, Guntur Abityo Wibisono. In doing KP, the practitioner has the opportunity to participate in the activity of recording the calculation of market movements in the Metatrader 4 application and inputting the database.

In the activity of inputting the database, the Financial Consultant Administration division checks the database contacts and is careful in calculating and selecting financial management so that it can achieve its goals properly. Writing a professional work report is made as a description of the results of a job that has been done during professional work with the aim of fulfilling one of the requirements to obtain a bachelor's degree in education, as well as to increase knowledge and experience.

Keywords: Professional Work (KP), Database, Market Movement
