WORK ACTIVITIES OF PROFESSIONAL IMPLEMENTATION OF ASSET MANAGEMENT AT PT. RAJAWALI NUSINDO

Professional Work is an activity that aims to provide students with an overview of the real world of work, apply the theory obtained during lectures and practice analyzing theory and practice according to the competence of the Management Study Program within the scope of the agency/company. While carrying out professional work at PT. Rajawali Nusindo, In professional work, Practitioners have the opportunity to be directly involved in recording asset and building data for all branches of PT. Rajawali Nusindo. Practitioners gain a lot of experience after carrying out professional activities, including mental training in the world of work, discipline, thoroughness, responsibility, and knowledge of recording land & building assets.

Keywords: Professional Work, Recording, General & Asset
