PROFESSIONAL WORK ACTIVITIES IN THE STAFF OF FINANCIAL CONSULTANTS USING META TRADER 4 APPLICATION AT PT. MIDTOU ARYACOM FUTURES

Practical activities carry out Professional Work (KP) at PT. Midtou Aryacom Futures as Financial Consultant Administrative Staff for approximately 3 months. Practitioners work under the supervision and guidance of the Human Resources Development (HRD) Manager and KP supervisors. In doing KP, the practitioner has the opportunity to participate in the activity of recording market movement calculations on the Metatrader 4 application and inputting the database of customers who want to join PT. Midtou Aryacom Futures.

The activity of inputting databases for clients and vehicle for appointments, the Financial Consultant Administration division checks the database contacts carefully in calculating gold price movements and selecting financial management so that they can achieve their goals properly. The writing of this professional work report is made as a description of the results of a job that has been done during professional work with the aim of fulfilling one of the requirements to obtain a bachelor's degree in education, as well as to increase knowledge and experience in the world of work.

Keywords: Profession (KP), Database, Market Movements, Meta Trader
