### ***AI Mastery Program in Orbit Future Academy***

*Orbit Future Academy is one of the partners who understand the Ministry of Cultural Education in implementing the Merdeka Learning Campus Merdeka (MBKM) program. Students take part in the AI Mastery Program organized by Orbit Future Academy for 5 months, starting from August 18, 2022 to December 31, 2022. During learning, students have the opportunity to gain knowledge about Artificial Intelligence and how to apply Artificial Intelligence to solve a case. In addition, students also learn about good attitudes, such as how to communicate with group colleagues and how to express good opinions in public.*

**Key Words:** *Orbit Future Academy, AI Mastery Program, Artificial Intelligence.*
