## RAIHAN HASBI RESPATI

+62 85887300976 | Raihanhasbi15@gmail.com | <https://www.linkedin.com/in/raihan-hasbi-respati-928676237>  
Jl. Anggur Raya Blok I/2 No.7 Pamulang Estate, Tangerang selatan provinsi Banten

I am a System Information student at Pembangunan Jaya University who has a responsibility. I always want to spend my free time on Internships and freelancers, because it can improve my soft skills to support my hard skills and have a lot of experience. I am good at adapting, so I can be responsible for every task and situation faced both individually and in team work. I have a great skill communication and good marketing to influence, I want to have an Internship experience in any company that can provide knowledge for me to know the world of work, I can make a good contribution to the company
