PRODUCT INVENTORY MANAGEMENT FOR STOCK ACCURACY ON ODXYZ AND JUBXYZ WEBSITES AT FARMAKU.COM

While carrying out professional work at Farmaku.com. Practicing working under the supervision and guidance of the Operation Manager & SPV Order Management (Operation). In professional work, the practitioner has the opportunity to be directly involved in carrying out jobs related to stock, orders and reports. While working in the Order Management division, the practitioner was entrusted by his superiors to manage product inventory on the odxyz and jubxyz websites. This is assigned by the practitioner's superior to the practitioner with the aim of minimizing problems arising from inappropriate stock, such as canceling orders, over selling, and others.

Keywords: Stock, ODXYZ, Jubxyz, Operation
