Funding Officer Performance in Collecting Deposit Funds at Bank Universal BPR

While carrying out professional work at Bank Universal BPR, Practitioners work under the supervision and guidance of the Business Funding Officer. In professional work, the practitioner has the opportunity to assist and be directly involved in the transaction process to collect customer deposit funds, manage and maintain customer deposit funds and promote deposit savings products for customers who do not have deposits. Deposits are funds or money stored in an account, deposits usually have a certain period of time in which the money or funds in it are not allowed to be withdrawn by customers. Deposits can usually only be withdrawn or withdrawn according to the maturity date, usually deposits have maturities of 1, 3, 6, 9, 12 months.
