

ABSTRACT

Prayogo Winata (2015101007)

PERBAIKAN FASILITAS UMUM PADA WILAYAH INDONESIA

For 3 months of Internship in Kementerian PUPR, Dirjen Cipta Karya, Direktorat Bina Penataan Bangunan, Sub Direktorat Bina Penataan Bangunan dan Lingkungan Khusus, Intern was placed as Junior Architect and assigned to help Souvenir Market Project in Labuan Bajo under guidance of the principal. In that project, intern has assignments to draw architectural drawing and 3D Maquette modelling. Intern learnt so many things that need to be considered in the restoration process of public facility like material, cost consideration, structure and construction.

keywords : Drawing, public facility
