

ABSTRACT

Performance of Urban Infrastructure: Road User Satisfaction Index (RUSI) in Satellite City

Andreas Suryo Sanjoyo.¹⁾, Gandung Anugrah²⁾

¹⁾ Student of Visual Communication Design, Universitas Pembangunan Jaya

²⁾ Lecturer of Visual Communication Design, Universitas Pembangunan Jaya

A music video can be a highly effective promotional tool to introduce and promote the band Dklouv to the audience. A successful music video should feature visually captivating elements while also reflecting the sound and identity of the band. The music video can then be launched and promoted on Dklouv's official social media or website. A music video can be a powerful tool to promote the band and increase their visibility. A music video can be a highly effective promotional tool to introduce and promote the band Dklouv to the audience.
