AKTIVITAS MENGANALISA, MONITORING DAN MAINTENANCE PERFORMACE  
PEMBIYAAN KREDIT MODAL USAHA PADA UMKM

Professional work practices are carried out at PT BPR DANA MANDIRI BOGOR. While carrying out professional work as a supervisor, with the task of assisting in the process of analyzing, monitoring and maintenance of product/service sales, the practitioner works under the supervision and guidance of the Area Manager. In carrying out professional work, the practitioner has an important role in the process of monitoring sales. Some of them help to analyze risks in lending and mitigation, monitoring credit quality performance and sales levels, as well as evaluating employee performance.

Keywords: Credit Analysis, credit monitoring, credit maintenance
