MANAGEMENT OF THE INDONESIAN EMBASSY IN NAIROBI IN PROMOTING INDONESIAN PRODUCTS IN KENYA

This Laporan Kerja Profesi (LKP) describes the experiences of the apprentice when implementing the principles of management learned in the Pembangunan Jaya University (UPJ) during his internship at the Indonesian Embassy in Nairobi, Kenya in 2021. Through its internship, the apprentice comprehended that the Indonesian Embassy in Nairobi had used the principles of management which had been studied by the apprentice. Through this Internship (KP), the apprentice had got more experiences and knowledge on issues beyond management, such as diplomacy and protection of Indonesian citizens abroad which are main cores of the Embassy's mandat.
