ANALISIS PELAPORAN SPT MASA PAJAK PENGHASILAN DI KANTOR KONSULTAN PAJAK CV. LAJU VISI TANGGUH

While carrying out Professional Work at CV. Laju Visi Tangguh, practicum provides an opportunity to be placed in the Taxation Staff section. In carrying out Professional Work, the practitioner is given the opportunity to help take care of all types of existing client taxation. Practitioners are given the trust to be given access rights to enter the DJP Online account by superiors and also clients where this access is used to take care of all tax clients from this company. The main task of the practitioner is to report Periodic Income Tax Returns every month. Not only that, practitioners are also given the opportunity by their superiors to communicate directly with clients properly. Responding to problems that occur in work related to the world of taxation.
