

# DAFTAR RIWAYAT HIDUP

## I MADE IWAN KARMAWAN

Final Year Architecture Student

I'm an undergraduate student of Architecture at Universitas Pembangunan Jaya. I'm 22 years old. I'm a diligent, perfectionist, clever, ambitious, detail oriented, and stick to the targets. I have a nice skill in design, poster layout, architectural rendering, photography, and architecture mockup model. I also interested in interior and landscape design.
