

DAFTAR RIWAYAT HIDUP

ANASTACIA KUSE MAHARANI SOGEMAKING
third year architecture student

03 JULY 2002

I am a third-year architecture student at Pembangunan Jaya University who is interested in interior design. I actively participate in organizations, never give up, like to learn new things, and try various things about architecture and design.

This portfolio presents several works that showcase my creativity in design. Hope you enjoy it!

THANK YOU!
