### ***Implementation of Wholesale Service Prices and Inventory Stock of PT Jaya Teknik Indonesia***

*PT Jaya Teknik Indonesia is a company engaged in the contractor sector and carries out marketing, buying and selling of electrical, mechanical and information technology. The product brands marketed by PT Jaya Teknik Indonesia are quite well-known products such as York, Nohmi, Mitsubishi Electric and other product brands. PT Jaya Teknik Indonesia has been around for quite a long time, namely around 55 years. PT Jaya Teknik Indonesia is still under the auspices of the Jaya Group. Interns get jobs in the Procurement & Warehouse division. During professional work, interns work on KPI Monitoring of Work Orders (SPK), Inputting Work Orders (SPK), recording incoming and outgoing goods via Bin Card, inputting Inventory Stock of goods. During professional work, practitioners gain experience and knowledge about the world of work. And practitioners will know better how to input through the existing system at PT Jaya Teknik Indonesia which uses the Odoo system and KPI Monitoring.*

**Keywords:** *Procurement & Warehouse, KPI Monitoring, Work Order Input, Goods Recording*
