PROFESSIONAL WORK ACTIVITIES IN THE FRACTION GERINDRA PERSATUAN PART IN DPRD WEST JAVA PROVINCE

In this era of globalization, especially in the world of work, of course an agency or company wants its members to work optimally, every member in an institution must have their own interests or various interests. To unite the interests of various Members, the DPRD forms a group called the Fraction. A faction is a group of members who share the same view or opinion. The Fraction's task is to coordinate the activities of all its members to optimize the effectiveness and efficiency of its members' work. Also, the Fraction has to keep the public apprised of its findings from analyzing member performance. Members of the council are better equipped to do their jobs now that the faction is in place.

Key Word : Fraction, Optimally, DPRD
