

ABSTRACT

Muhamad Rinaldi Hanafi (2020021145)

TECHNICAL PILOT DEPARTMENT HEAD ACTIVITIES AT FLIGHT OPERATION UNIT ON PT GARUDA INDONESIA (PERSERO) TBK.

The Professional Work Program (KP) is an important activity for final year students to have work experience as preparation before entering the real work environment by carrying out work activities directly for a company during a specific time period. As a final year student at Pembangunan Jaya University, Practitioner carried out this Professional Work Program (KP) at PT Garuda Indonesia as a Technical Pilot Department Head. While undergoing this Professional Work program, Practitioner applies the management knowledge learned at the Management study program. Apart from holding the position as a Technical Pilot Department Head, Practitioner also undergoing this Professional Work Program (KP) as a Captain Pilot on a Boeing 777 aircraft and also as a Flight Instructor and Company Checker.
