DATA RECAPITULATION ACTIVITIES ON ONLINE ACCOUNT OPENINGS AT PT BANK SYARIAH INDONESIA, Tbk. KCP TANGERANG CIPUTAT

Professional work aims to develop student discipline, responsibility and integrity in a corporate context. Through this experience, students can directly observe the work culture in an organization or company. Practitioners undertake professional work at PT Bank Syariah Indonesia (BSI) KCP Tangerang Ciputat, with the main task focusing on recapitulating customer data for opening accounts. In carrying out professional work as a data administrator, it can help practitioners develop time management skills, teamwork, and a deep understanding of work structures and processes in that environment.

Keywords: Professional Work, Data Administration, Data Recapitulation
