### **ILLUSTRATOR AND ANIMATOR AT CV KRIET LAB ASIA**

This report presents the work experience of an illustration and animation intern at CV Kriet Lab Asia for a period of 3 months. During the internship, the intern was involved in various illustration and animation projects for various clients. The intern was responsible for creating graphics, storyboards, animations, and other visual assets, as well as completing projects according to the specified deadlines. This experience provided the intern with the opportunity to develop skills and knowledge in the field of illustration and animation. The intern also learned how to collaborate with the team professionally, especially in terms of workflow and the steps involved in completing tasks.

**Keywords:** *Illustrator, Animator, Internship*
