

ABSTRACT

Alaro Fyko Wasono (2021081041)

***FRONT END DEVELOPER IN THE AISEEYOU TECH WEB-BASED PROJECT MANAGER
AT PT. GENERASI REVOLUSI TEKNOLOGI***

This professional work report is the result of carrying out the Professional Work, which is one of the requirements for students to complete their studies at the Bachelor's level (S1) at Universitas Pembangunan Jaya. The practitioner completed the Professional Work at PT. Generasi Revolusi Teknologi, participating in various stages of development, from understanding tasks, learning frameworks, to application development levels. The practitioner also prepared documentation to facilitate future development. It is hoped that this Professional Work report can provide a clear picture of the role of a Front End Developer in the professional world.

Keywords: *Front-End Developer, Aiseeyou Project Manager, PT. Generasi Revolusi Teknologi, Application Development, Application Documentation*
